NEW BUSINESS

Mr. Langholz discussed the intricacies of a comprehensive plan with the Planning Commission. He said that some of the key areas that will need to be researched include; land use, transportation, natural resources, parks & trails, housing, economic competitiveness and community resilience. He also said that he is seeking funding from multiple sources to aid in the development of the comprehensive plan. Mr. Langholz said that the City is in the very early stages of creating a comprehensive plan and that it would likely be a couple months before some sort of official kickoff meeting.
