

STARBUCK POLICE DEPARTMENT

2022 ANNUAL REPORT

AS PRESENTED ON MARCH 13TH, 2023

March 13, 2023

Gary Swenson, City Mayor
City Council
City of Starbuck

RE: 2022 Annual Report

Dear, Mayor Swenson & City Council

This report contains a detailed overview of the Starbuck Police Department's activity for 2022. Included in the report are statistics related to the department's calls for service and total offenses charged. Also included is information regarding Police Department activities and updates of our significant programs for your review.

This report not an all-inclusive document, but rather a synopsis of events occurring in 2022, along with explanations/opinions on why we are seeing these trends. Also attached to this report is an all-inclusive list of statistics without any explanations of trends.

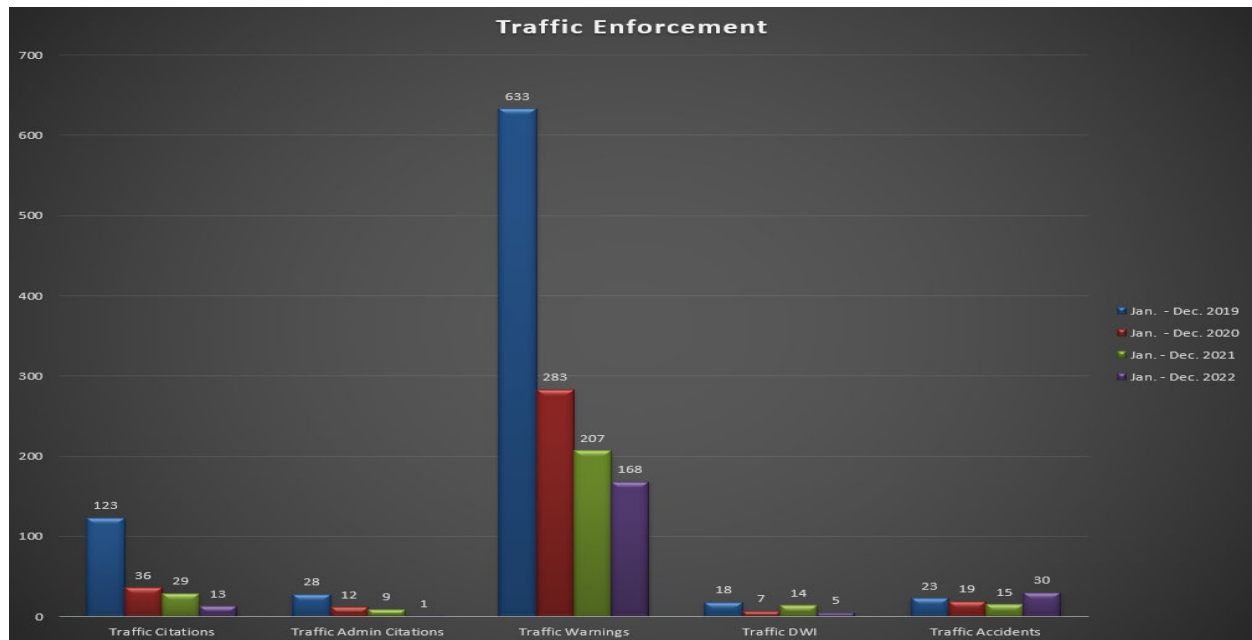

I hope you enjoy reading and if you or anyone else should have any questions regarding this document they should feel free to call or see me. I do plan to present this at the next city council meeting and ask that you have this item put on the agenda for discussion. Thank you for your support in 2022!

Respectfully,

Mitch Johnsrud
Starbuck Police Chief

Traffic Citations / Traffic Accidents

Since 2013, we have an average of 20 crashes per year, which we had 30 crashes in 2022. In 2022, issued at total 168 warnings for various traffic offenses and 13 State of Minnesota citations issued and 1 City of Starbuck administrative citations issued. SPD officers had 219 total traffic stops and gave out warnings on 77% of the traffic stops. SPD officers made 5 DWI arrests in 2022, which since 2013 we have an average of 14 per year.

MINNESOTA TOWARD ZERO DEATHS (TZD)

The Starbuck Police Department also participated the TZD Enforcement Grant Program which provides federal funds to law enforcement agencies to conduct enhanced enforcement. We have participated in the TZD program since 2016 along with the Glenwood Police Department, Pope County Sheriff's Office, and the Minnesota State Patrol in Pope County.

The Minnesota Department of Public Safety's Office of Traffic Safety conducts six enforcement mobilizations involving approximately 350 participating law enforcement personnel throughout the year. The mobilizations focus on seat belt, speed, and impaired driving enforcement. In addition, two one-day enforcement campaigns focus on distracted driving and on enforcing Minnesota's Ted Foss Move Over Law.

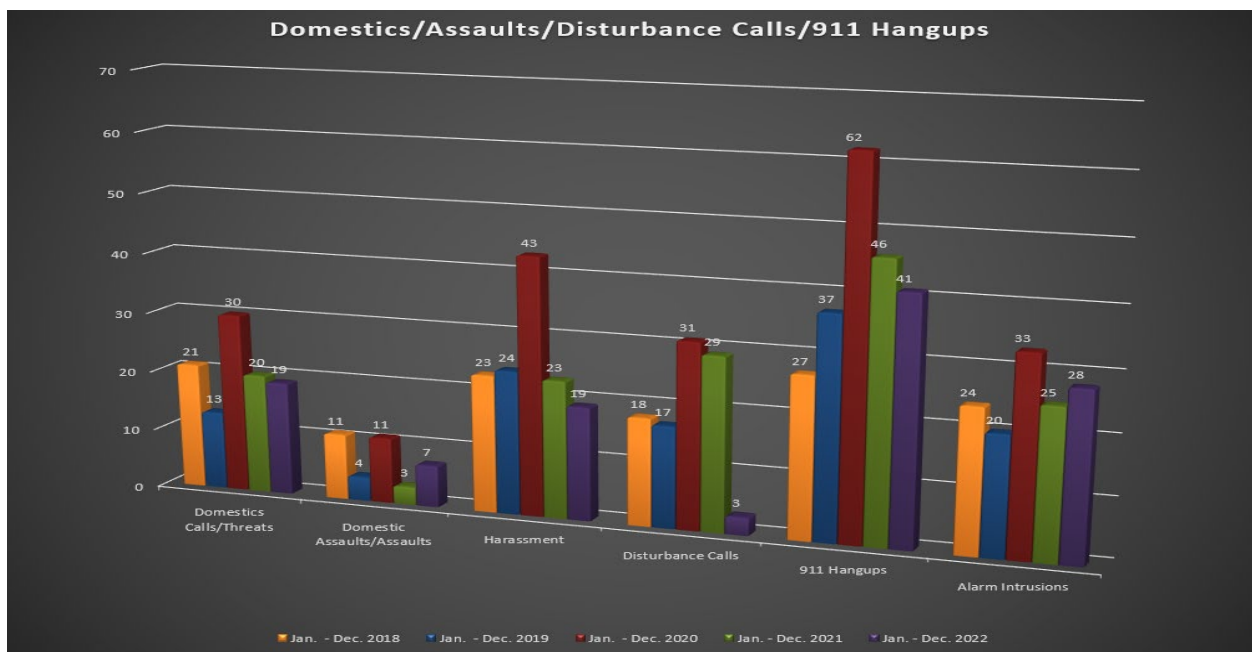

- **Click it or Ticket:** Occurs in April, May, and October
- **Drive Sober or Get Pulled Over:** Occurs in December and mid-August through early September

- **Speed Enforcement:** Occurs in June and July
- **Distracted Driving:** Occurs one day in mid-April
- **Move Over:** Occurs on August 31 (the anniversary of the date Trooper Ted Foss was killed because of a motorist not moving over for an emergency vehicle)

Research has consistently shown that enforcement efforts do not have a lasting effect on drivers' behavior if most of the public is unaware of them. Combining increased enforcement activity with adequate public awareness efforts can result in long-lasting improvements in driver behavior.

Domestic/Disturbance Calls

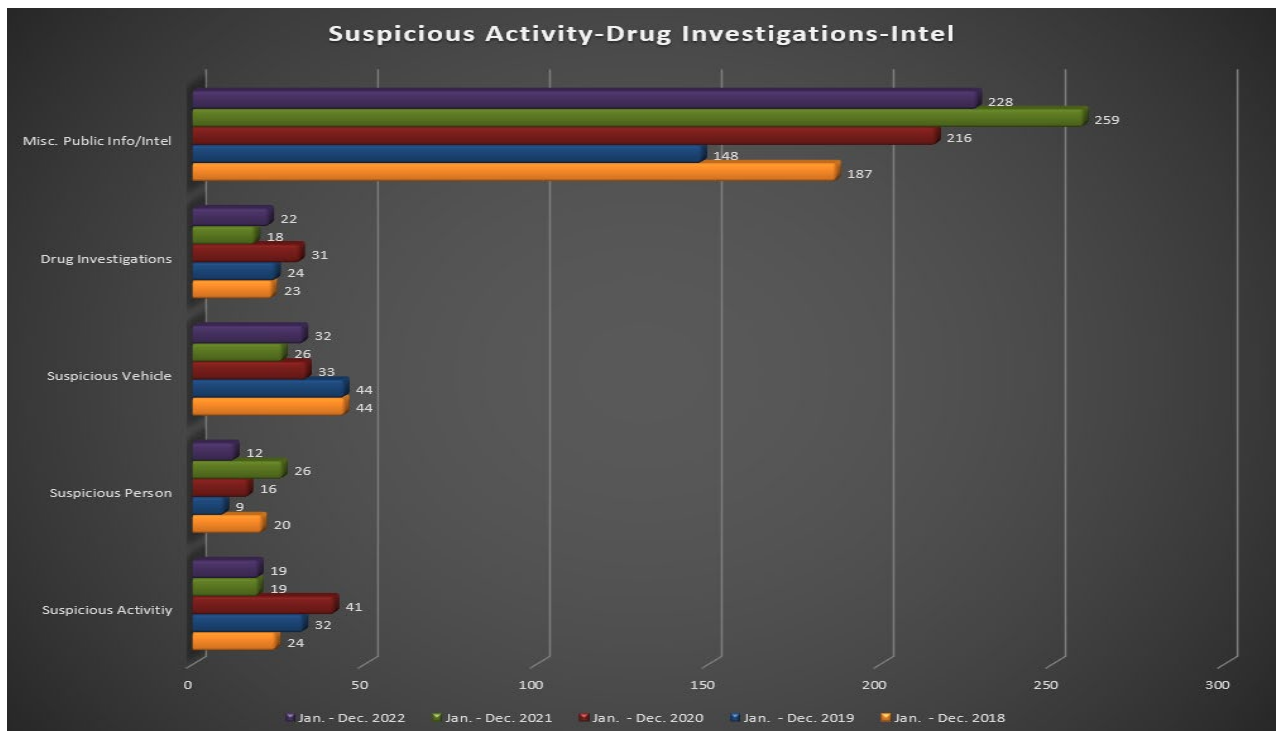

We have experienced a decrease in reports of Domestic Disturbance and Domestic Assault in 2022. Our calls for Domestic Assaults have decreased from 20 in 2021 to 19 complaints in 2022. The department continues to work closely with the Pope County Attorney's Office, Someplace Safe, and Pope County Human Services in these cases.

According to Violence Free Minnesota Coalition homicide report the known number of Minnesotans killed due to domestic violence varies from year to year. We have seen numbers range from a yearly low of 12 deaths to as many as 37. In 2018, at least 14 Minnesotans were murdered due to domestic violence. In 2021, the number is higher. However, it is important to note that one year's data does not indicate a trend. In 2012, there were 19 known domestic violence homicides included in our report and in 2015, there were 33. The numbers of homicides in Minnesota fluctuate and can vary significantly from year to year.

Suspicious Activity & Drug Investigations

In 2022 we had an increase of drug investigations from 18 in 2021 to 22 in 2022, which some of them are still on going and we are currently working with the West Central Drug and Violent Crimes Task Force on these investigations. Out of the 22 drug investigations 3 of them stemmed from traffic stops, and the others from suspicious activity reports received from the public and officer self-initiated investigations.

We had 85 calls of some sort of suspicious activity happening in the City of Starbuck, which 8 of those calls ended up in criminal investigations and arrests, and some of the others led to ongoing drug investigations. So, we strongly encourage the community to continue reporting any type of suspicious activity as it has proven to be effective to deter criminal activity in our city.

Starbuck Police Department Arrests

Overall, the Starbuck Police Department had 2263 incidents, and out of those calls-for-service 35 incidents were cleared by arrest, which 49% of those arrests were traffic citations, 12% were arrests that stemmed from drug investigations, domestic assaults, and suspicious activity calls. The other 39% of the arrests were from arrest warrants, thefts, harassment complaints, and other criminal investigations.

Community Involvement

The Starbuck Police Department continues to be highly active in and involved in the community. Officers are currently involved in several Community Policing Engagements to include:

- Pope County Senior Citizen TRIAD
- School Resource Officer Program
- Minnewaska Area Help Council
- Minnewaska Area Schools Crisis Team
- Toward Zero Death Enforcement (TZD)
- Neighborhood Crime Watch Program
- Starbuck Police Department Bike Rodeo
- Starbuck “Night to Unite” Event
- Starbuck PD “Safety Camp for Kids” (Grades 3 to 6)
- Shop with a Cop
- Coffee with a Cop
- Violent Critical Incident (VCI) training for businesses and employees
- Pope County Child Protection Team
- Pope County Adult Protection Team

In addition, as the Chief of Police I am member of the Minnesota Chief of Police (MCPA) Association Board Director, and currently the MCPA Region 4 President (3rd Year), West Central SWAT Board and Team, West Central Drug and Violent Crimes Task Force Board of Directors, Association of Minnesota Emergency Mangers (AMEM), Pope County Community Leaders, Toward Zero Death (TZD) Steering Committee, TZD Fiscal Agent for Pope County, Minnewaska Area Schools Crisis Team, Pope County Mental Health Coalition, and the Pope County Criminal Justice Workgroup.

Training

Police Officers must put their life on the line occasionally, but they make life and death decisions on a regular basis. They also make decisions on whether or not to take away someone's freedom by incarcerating them. Proper training is paramount to the successful delivery of effective service to the community. Starbuck Police Officers are trained to the highest level possible while staying within budget constraints. Last year your officers received countless hours of training in areas ranging from Active Shooter to Crisis Intervention and many other things in between. Proper training is related to quality delivery of service to the community and minimizes potential for litigation. Officers attended the following courses in 2022:

- Handgun/Rifle/Less Lethal Qualifications
- Firearm Tactics and Drills – Weapon familiarization
- Use of Force & Defensive Tactics
- Low light/Adverse Weather Firearms Qualification
- Taser & Chemical Training
- Criminal Patrol Tactics & Drug Interdiction
- Close Quarter Combat (CBQ)/Building Searches and Clearing
- Crisis, Conflict, Community Diversity (Mental Health Response)
- OSHA Mandatory Requirements
- Scenario based training/Felony Stops

STARBUCK POLICE DEPARTMENT MISSION STATEMENT

The Starbuck Police Department mission is to provide Service to the community with honesty, integrity, and respect. In partnership with the community, we are dedicated to reducing crime, problem solving and ensuring the quality of life in the community. The Starbuck Police Department is committed to active partnerships with the community to protect life and property, innovatively solve problems, and enhance the safety and quality of life in the community we serve.

CORE VALUES

The men and women of the Starbuck Police Department are committed to successfully accomplishing this mission with courage, integrity, and hard work. These three values are uncompromising and will guide and inspire officers while serving the citizens of Starbuck. Finally, our mission statement provides the foundation upon which all operational decisions and organizational policies are based.
